Interactions between groundwater and surface water: the state of the science

Marios Sophocleous

Hydrogeology Journal (2002) 10:52–67

Unfortunately there were some errors in Equations 2 and 3 in the print version. The equations are given correctly below:

$$q = k_1 [1 - \exp(-k_2 \Delta h)], \quad (2)$$

$$q = k_1 \Delta h + k_2 [1 - \exp(-k_3 \Delta h)], \quad (3)$$
